### SHERLOCKIAN CITRUS LABELS AVAILABLE!

.... Thanks to the efforts of **Laura Henderson**, **David McCallister**, and **Ben Wood**, the P. P. of F. has a very limited number of the two Citrus Labels used by the Holmes Fruit Co., of Tampa. We have put them up in a very attractive booklet which is available for \$7.50 ppd. This is another fund-raising project for our Scion. These will be offered for sale at the BSI weekend in New York, Jan. 10-11.

### JOAN & BEN WOOD Off to NYC for B.S.I. Weekend:

..... Your Recorder and "the Woman" of '91, will attend the several activities at the BSI weekend, Jan. 9-12. They will be staying at the Algonquin Hotel. On Friday evening, Joan will host "the Woman's Dinner" at the National Arts Club, Grammercy Park, honoring "the Woman" of '92, while Ben will perform his Chaplaincy duties by intoning Morley's "Sherlock Holmes Prayer" at the B.S.I. Dinner, which is held at 24 Park Ave. This year's BSI Dinner will include, for the first time, the distaff Investitured Irregulars. A full report on the weekend's happenings will appear in the next Communication. Egads! that will be #113!

### TWO NEW FLORIDA SCIONS!

.... This Recorder has been informed of the founding of two new Sherlockian Scions in the Sunshine State. **Jonathan White** has started up a group in Broward County (Name not yet selected), & **Dick Bryer** has organized the "Sherlock Holmes' Dumber Brothers". That brings to 5 the number of active Scions in "the charming climate of Florida". We wish them both all the best as they strive to keep green the memory of "the Master".
